WASHINGTON, D. C., JANUARY 15, 1915.

NUMBER 13

PYRAMID SOCIETY INITIATES ONE MAN

Holds its Semi-Annual Ceremony at The Theta Delta Chi House.

ERWIN HARSCH HONORED.

The Pyramid Society, the men's Honor Society of the University, held its regular election recently and the result was the initiation of Erwin Harsch on Monday, January 11. Erwin Harsch is the president of the Senior Engineering Class and one of the Editors of the Hatchet. He was prominent last year as the secretary of the Athletic Association and two years ago was assistant manager of the Basketball team. He is also a member of the Engineering Society, Skull and Circle Class Society and the Sigma Phi Epsilon Fraternity.

The Pyramid Society was organized five years ago by a number of men who had taken an active part in the various student activities and holds two elections a year, that in the fall being limited to seniors, not more than four of whom can be elected and that in the spring to both Juniors and Seniors, and not more than ten are elected at that time. The Society is broad in scope and takes its membership from the entire University. The qualifications necessary for eligibility to election are a high standing in studies and prominent work in some branch of student activities. The all around requirements for membership, the high standard maintained, and the limited number elected makes such election one of the highest honors which a student can achieve.

The officers of the Society are, President, Alvin M. Brown; Vice-President, R. C. Shaw; Secretary-Treasurer, S. P. Jones; and Historian, Howard W. Hodgkins.

PAPERS READ BEFORE VET. MEDICS.

Students Give Instructive Talks At Monthly Meeting.

PLANS FOR ANNUAL BANQUET.

The January meeting of the Veterinary Medical Association of the University was held Saturday evening, January 9th, at the Veterinary College. The meeting was well attended, and several applicants were admitted to membership. As is customary at the meetings of the Association papers on appropriate subjects were read by members. K. E. Buffin, '16, presented a paper on "Firing," which was extremely interesting and instructive, while W. H. Grubb, '16, spoke on "Anesthesia," covering the subject of general anesthesia in a thorough, concise and interesting manner.

As in the past, the Association will hold its annual banquet about the 22nd of February, and at Saturday evening's meeting the affair was discussed, preparations begun and plans laid in connection with it. The interest manifested by the members and the enthusiasm of the entertainment committee indicate that as a success it will equal or surpass those of previous years.

The next meeting of the Association will be held early in February, when banquet arrangements will be concluded, and important matters pertaining to the amendment of the constitution and the qualifications for membership will be discussed. It is desired that all members who can possibly do so be present at that meeting.

MORE MEN NEEDED FOR GLEE CLUB

Both the Vocal and Mandolin sections of the Men's Glee Club will meet for rehearsal in the Assembly Hall, Arts and Science Building, 2023 G St., Monday, January 18, at 8 P. M. Active work has been started by President Terry in preparation for a series of concerts, and he urges every man in the University who can sing, and those who play mandolin, banjos, or guitars, to come out and join the Glee Club. He has also stated that if a good number come out and work faithfully, that a trip, or series of trips, will be taken in the spring. So it is to every man's benefit to join, and it is hoped that a large number will turn out next Monday, January 18.

MASS MEETING PLANS COMPLETED

Called For Tuesday, January 19, 1915, 8 P. M., Hall No. 1, Medical Building

ALL STUDENTS SHOULD ATTEND.

In order to arouse the spirits of the students, and to get them to come out with their whole-hearted support for athletics, the officers of the Athletic Association have called a mass meeting for Tuesday, January 19, 8 p. m., in Hall No. 1, Medical Building. Yells and songs will be rehearsed in preparation for the Catholic University game on January 20, the Georgetown game on February 3, and the track meet on February 13. Captain Shaver will be there with the other members of the basketball team, "Bob" Fleming, former member of G. W. U. and Cornell championship relay teams, and present trainer of this year's track team, Prof. McNemar, Faculty Director of Athletics, "Schultz" Schlosser, Basketball coach, and several prominent G. W. U. alumni will make short speeches on athletics. Let every student take an hour's time and come. He will enjoy it, and will be helping his University in its struggles to revive athletics.

One of the great drawbacks to our athletic teams is the lack of student support at the games. It has been very hard to arouse any great amount of enthusiasm, and the few times that we have tried to give the team encouragement through the medium of cheers, we have succeeded to a very small degree. But we have made a start, and the team appreciates it. It is mighty hard for our men to go out and play their best when the students, for whose honor they are out there working, do not give them encouragement and support. It is a reflection on the University that the students do not know the University yells well enough to be able to give them at the games and it is about time that they were learning them. And this is the best opportunity they will have for learning them. So let every student, the girls as well as the men, come out on January 19, and imbibe some of the old G. W. U. spirit. This is a supreme effort to arouse the enthusiasm of the students, and it is hoped that it will be successful in every way.

(Continued on page 3)

BASKETEERS DEFEAT WASHINGTON AND LEE

Loss to V. M. I. and Virginia in Hotly Contested Games.

TAKES SOUTHERN TRIP.

The Varsity basketball team took its southern trip during the past week and although they started out with a win against the strong Washington and Lee team they were unable to overcome the handicap of playing on their opponents home floors against V. M. I. and Virginia.

Altogether the showing made on the trip was most creditable and the added practice has brought the team into the best form it has yet attained. All energies are now directed toward the Catholic University game of January 20th.

G. W. U. 28; W. & L. 16.

The first game of the trip resulted in a win for the Varsity by a decisive score. Our team displayed better

Manager Murray.

teamwork and passing than Washington and Lee and were also more accurate at goal shooting. Johnson and Almon were particularly prominent and Young and Miles did the best work for the hosts.

V. M. I. 20; G. W. U. 15.

In the second game the team was defeated only after a very strenuous contest, the decision of which was in doubt until the last moment. Our men fought hard but could not quite overcome the early lead against them. The summary:

Geo. Wash.	Positions	V. M. I.
AlmonL.F.....	Hodulesby
MurrayR.F.....	Fitterols
JohnsonCenter.....	Bolton
GrossbeckL.G.....	Pitts
Shaver (capt.)R.G.....	Nelms

Substitutions—Bryant for Murray, Hammer for Grossbeck. Goals from floor—Bolton (3), Hodelsby (3), Fitterols (2), Almon (3), Johnson (3). Goals from foul—Fitterols, 4 out of 7; Almon, 3. Referee—Mr. Miles, of Washington and Lee. Time of halves—20 minutes each.

Virginia 41; G. W. U. 12.

Virginia took a spurt soon after the contest started and the commanding lead thus acquired was never seriously threatened. Fayerweather Gymnasium greatly handicaps a team not familiar with it and the score can not be taken as really indicative of the relative merits of the two teams, as the local game with Virginia will probably show. Murray, Almon and

INTER-FRATERNITY BOWLING LEAGUE FORMED

Lack of Playing Floor Causes Abandonment of Basketball.

The regular monthly meeting of the Interfraternity Association was held Wednesday evening, January 6, at the Kappa Sigma house, 1100 Vermont Avenue. Kappa Psi, the new Medical School fraternity was welcomed into the Association through its representative, Mr. H. N. Moser. The Interfraternity Association now consists of fourteen chapters and never have they worked together in more harmony than they have this year.

Interfraternity athletics were given a jolt when the committee failed to find a floor for the basketball games. When it was found that basketball would have to be dropped the athletic committee went to work on a bowling schedule. Eight fraternities have agreed to enter teams for the championship, and the contest will begin immediately after mid-year examinations. A trophy will be awarded the winning team. Chairman Marthinson of the committee has secured the Casino alleys at 14th and T for Tuesday and Thursday evenings. Further announcement will be made next week.

LEGAL AID SOCIETY ELECTS

Adds a Number of Seniors and Post-Grads to its Roll.

ONE CASE TAKEN TO COURT.

At a recent meeting of the Executive Committee of the Legal Aid Society the following students upon nominations by the faculty were elected to active membership in the Society: Samuel V. Anderson, J. Ralph Fehr, Lauritz G. Haugen, Frank D. Jones, T. Clay Lindsey, Thomas C. Musgrave, Paul Oren, John J. Reinhardt, Arthur E. Stevens, Julian M. Thomas, Samuel D. Thurman, and Ernest F. Wenderoth. Edward Stafford, '14 Law, of the District of Columbia Bar was elected to associate membership. Mr. Stafford was an active member of the Society during his senior year in the Law School, and was the Society's first Secretary.

The first case to be taken to court under direction of the Society was recently heard before Judge J. Wilmer Latimer, in the Juvenile Court, and was decided in favor of the Society's client. The case, being based upon desertion and non-support, was criminal in nature, and was therefore prosecuted by the Assistant District Attorney, but the preliminary work was done by Mr. Elbert B. Baldrige, an active member of the Society, under the direction of Clyde D. Garrett, Esq., one of the associate members.

Shaver all played good games. The summary follows:

Virginia	Positions	G. Wash.
NickelsR.F.....	Murray
Stickley (capt.)L.F.....	Almon
StricklandCenter.....	Johnson
DietrichR.G.....	Shaver (capt.)
LuckL.G.....	Grossbeck

Substitutions—Goeh for Dietrich, Rixey for Strickland, Waddell for Stickley, White for Nickels, Hammer Grossbeck, Kuhn for Murray, Bryant for Kuhn, Kuhn for Shaver. Goals from floor—Nickels (7), Strickland (4), Stickley (3), Dietrich, Luck, Rixey, Murray (2), Almon Shaver. Goals from fouls—Strickland (7), Almon (4). Referee—Mr. Colli-flower, of Georgetown. Time of halves—20 minutes.

TRACK MEET PLANS PROGRESSING

Georgetown, Catholic University, and Virginia Will Be Among Contestants.

ENTRY BLANKS NOW OUT.

Prof. McNemar and his assistants are hard at work on the details of the big track meet which will be held in Convention Hall on the 13th of next month. Entry blanks are now being sent out and from the requests that have been coming in a large entry list is assured.

Georgetown, Virginia, Catholic University and other members of the South Atlantic intercollegiate Association will be represented, and because of the rupture in relations between Georgetown and Virginia this will be the only appearance of the latter team in the city, and the competition in the various events is bound to be keen.

There will be fourteen regular events on the card besides the relay races the number of which will depend somewhat on the entries. The meet has been awarded three of the South Atlantic Intercollegiate Athletic Association Championship events, the 440 yard run, the two mile run and the pole vault. There will be several events limited to scholastic entries and the usual open handicap events.

Prof. McNemar has appointed R. H. Fleming to fill the position of Director of Track Athletics created by the Athletic Association Constitution and H. W. Hodgkins as Graduate Adviser for the Track Team and these two men are assisting on the work of getting the many details of the meet under way. Fleming was previously appointed Coach of the Track Team and has gotten together a squad of about a dozen men which it is expected will be materially increased at once. Those interested should see him at his office in the Evans Building.

A large block of seats will be reserved for students and special rates will be made to holders of Athletic Association tickets who desire to purchase the reserved seats. It is expected that a large crowd will turn out and join in some old fashioned cheering.

The list of events as it stands at present follows:

50-yard dash, novice; 50-yard dash, open handicap; 50-yard dash, scholastic; semi-finals and finals; 440-yard run for the South Atlantic intercollegiate championship; 440-yard run, open handicap; 440-yard run, scholastic; 600-yard run, novice; 880-yard run, open handicap; one-mile run, open handicap; two-mile run for the South Atlantic intercollegiate championship; high jump, open handicap; shot-put, open handicap; pole vault for the South Atlantic intercollegiate championship; pole vault, open handicap; two-mile relay for the South Atlantic intercollegiate championship; one-mile relay, collegiate; private school relay, two-thirds of a mile; high school relay, one mile, and interfraternity relay, two-thirds of a mile.

ARCHITECTS TO HEAR ARTIST.

Mr. Paul Kiyofusa Hifada, a Japanese Artist, will give an illustrated lecture on Japanese Art before the George Washington University Architectural Club at its next meeting, January 19, 1915, at 2023 F Street, N.W.

Owing to the mass meeting on that night, the club will not meet until nine o'clock.

Mr. Hifada will shortly return to Japan.

When you wish to learn Shorthand, Typewriting, Book-keeping, or prepare for Civil Service, the best place is at

WAKE UP!

The whole student body needs jolt to bring it to life. This year was expected to be a big year. Athletics were to be revived and all of the old college spirit of former days brought back.

But the results have been far less than were expected. In every branch of student activities apathy is shown. Because of lack of candidates the Cherry Tree has gone by the board. With the greatest of possibilities, and a start that was auspicious, the athletic situation is not good. The number of candidates for the basketball team was not what it should have been. The Track team now has a thoroughly competent coach and a place to train and three times the number of men training should be out. Our meet is less than a month off. The number of members of the Athletic Association is far below that which might reasonably be expected from an institution of this size. The number of active candidates for positions on next year's Hatchet is far below the average. The debating and other societies are getting along with but little support. The Glee Club and the Orchestra both need more men.

On every side the opportunities for an interested student to be active and take a prominent part in some branch of student activities are numerous. Many of the night men because of limited time cannot do much more than join the Athletic Association but many have not even done that.

A day man with energy may achieve here almost without competition honors which at other institutions of like size are fought for by dozens of men.

Besides the benefit to the University and the honor to the man, the experience will be valuable in later life, whatever branch of student activities one takes part in. Leadership begets self-reliance and business experience on the publications or with the athletic teams may teach many valuable lessons.

The man who gets nothing out of his University course save that which he finds in the text books and class rooms is neglecting a large and important part of his opportunities.

Wake up! Look around you. You will find many things on all sides that you can do for your alma mater. And the more you put into your college life, the more you will get out of it.

MID-YEAR EXAMINATION SCHEDULE

ARTS AND SCIENCES.

Examinations will be two hours in length. All examinations will begin and end promptly at the hours scheduled. Examinations not here scheduled must be arranged for with the instructor. One-hour courses and third group courses are generally not scheduled. All recitations will be suspended during the examination period.

Foot Ball and Base Ball Only Sports
That Pay at Cornell.

ITHACA, November 23.—It cost Cornell \$93,148 to run her athletics last year and the income of the athletic association was \$90,148, according to the financial statement for the year ended August 31, made public here last night. The deficit of \$3,000 was incurred mainly through the cost of permanent improvements to property.

Foot ball brought in \$36,000 and cost \$26,000; track and cross-country cost \$15,000 and brought in \$5,300. It cost \$15,000 to develop the crews; the receipts were \$5,100. Cornell also spent \$3,000 on boathouse improvements and \$1,000 in boat building.

Base ball cost \$13,500 and brought in \$14,200. Direct undergraduate support through the purchase of season tickets brought in about \$20,000.

Wolves in Oklahoma tried to chase a lawyer over the snow, but he got up a tree and subpoenaed six of them with a revolver.

UNIVERSITY CALENDAR

In this column will be published a calendar of all events of interest to the student body which will occur in the following week. All classes, societies and other student organizations are urged to use this means of announcing and advertising their meetings.

Friday, January 15.

8: p. m.—Rehearsal of the University Orchestra, Election of Officers, Arts and Science Building, 2023 G Street.

8:30 p. m.—Interfraternity Smoker,

Saturday, January 16.

8:30 p. m.—Basketball Game, Varsity vs. Gallaudet, Kendall Green.

Monday, January 18.

8:00 p. m.—Glee Club Rehearsal, Assembly Hall, Arts and Sciences Building.

Tuesday, January 19.

8:00 p. m.—Athletic Mass Meeting, Hall No. 1, Medical Building.

9:00 p. m.—Architectural Club Meeting at 2022 F Street.

Wednesday, January 20.

8:00 p. m.—Basketball game, Varsity vs. Catholic University at National Guard Armory.

KEATS AND NICHOLS ARRIVE AT NEW ORLEANS.

Harold Keats, former editor of The Hatchet, and E. Marshall Nichols, who were reported earlier in the season as being on a canoe trip down the Ohio and Mississippi agitating in the towns along the route the go-to-church campaign, are said to have reached their destination a couple of weeks ago. In their trip from Pittsburgh, which they left on July 25, to New Orleans, where they arrived November 25, they visited more than 45 towns and cities, making speeches, organizing committees, and eliciting pledges for church attendance. They received promises from more than 29,000 persons during their trip to attend church. Their trip was financed by the Pittsburgh Sun, for which they wrote articles on their experiences.

ENGINEERING BANQUET FEBRUARY 2

Excellent List of Speakers Provided.
—Tickets Now On Sale.

The annual banquet of the Engineering Society will be held at the Hotel Continental on Tuesday, February 2, 1915, at 8:00 o'clock p. m. The banquet of this society has always been a success in previous years and it is hoped that this one will surpass any that have gone before.

The speakers will include Admiral Stockton, President of the University, Dr. Stratton, Director of the Bureau of Standards, Dean Hodgkins of the Engineering School, and Dean Monroe of the College of Graduate Studies. These men are recognized as being especially good speakers and the Engineering Society should congratulate itself on having secured such able men to address it.

For those gastronomically inclined, it may be said that the menu is just about all that could be desired and was selected from among some eight or ten submitted by Washington's leading hotels. It is well worth the two dollars to be charged for each ticket.

The tickets are now on sale at the Treasurer's Office, the Hatchet office, and are in the hands of student solicitors, from any of whom they can be secured.

GIRLS' GLEE CLUB MEETS.

The regular monthly business meeting of the Girls' Glee Club was held Wednesday, January 6th. It was decided to hold another voice try-out on Wednesday, January 20th in the Chapel at 1 o'clock. A new officer, that of general representative, was added to the roster of the Club and Miss Cullen was elected to fill it.

GIRLS BIBLE CLASS.

The girls who are not attending the Bible Class are missing a great treat. The book used, "Student Standards of Action," was written as a textbook for college voluntary study classes such as this one and fits exactly into student life and problems. The topics so far discussed are: College Purpose, Real Efficiency, an Expense Account and a Budget of Time. Come today and get some new and up-to-date thoughts on friendship. Every girl is welcome. Begin today!

Mass Meeting Plans Completed.

(Continued from page 1)
The following cheers will be rehearsed:

Axe.

George Washington! George Washington!
Give 'em the axe, the axe, the axe,
Give 'em the axe, the axe,
Where-ere O! Whe-e-ere O!
Right in the neck, the neck, the neck,
Right in the neck, the neck.

Locomotive.

Ge-o-r-g-e, George.
Ge-o-r-g-e, George.
Ge-o-r-g-e, George.
Washington, Washington, Washington.

Sky-Rocket.

S-s-s-s, Boom A-a-y!
Team, Team, Team.

Siren.

Hoo-oo-oo-oo Rah. Hoo-oo-oo-oo-oo
Rah. Washington. Washington.
(Hoo-oo-oo-oo is supposed to be given in imitation of a siren, with increase in pitch from low to high, followed by a quick descent on the rah.)

Team.

Rah rah-rah. Rah-rah-rah. Team.
Team. Team.

The following song to the tune of "Tipperary" will also be rehearsed. It's a hard thing to make the goals, boys,

It's a hard thing to do.
It's a hard thing to make the goals, boys,

But our team can put them through.
Good bye old Catholic University.
We'll beat you on the square.

It's a long, long way to win the game, boys,
But G. W.'s right there.

TEAM PICKED FOR INTER-SOCIETY DEBATE

On Friday evening, January 8, 1915, the Society convened for the first time since the Christmas Recess.

The subject of the debate was: "Resolved, that the President of the United States should be elected for a term of Six Years and be ineligible for a Second Term."

The six men debating on the subject were competing for a place on the team that will represent this Society in the contest with the University Congress. The following were chosen: Messrs. Talma L. Smith, P. B. Morehouse, D. A. West; S. L. Desha (Alternate).

THOS. W. RHOADS, Secretary.

MRS. WILBUR TO LEAD CHAPEL.

The Y. W. C. A. is looking forward with a great deal of pleasure to the Chapel service on next Monday, Jan. 18, since Mrs. William A. Wilbur has kindly consented to take charge of the exercises on that day. Mrs. Wilbur is so well liked by the students that they consider this a great treat. A large attendance is expected.

MISS BROWN SPEAKS AT CHAPEL.

Miss Florence M. Brown, Secretary of the local Y. W. C. A., spoke at the Y. W. C. A. Chapel service on Monday, January 4, on "Things that we can give to the others 365 days in the year." The students are very grateful to her for this helpful talk, and especially for her kindness in coming to the University in the midst of such busy times in her work, when the Y. W. C. A. was changing its location.

NEW HYMNALS FOR CHAPEL.

The new "Fellowship Hymns" have at last arrived. These are much superior to the old hymnals, in having a much greater variety of familiar hymns, and there are now enough books to supply all. It is expected that the Chapel singing will be improved by this change, and perhaps it may, by adding to the interest of the service, do a little toward securing a better attendance.

FINAL TOTAL OF

BELGIAN FUND, \$232.15.

The contributions in the last week of the Hatchet's campaign for the Belgian Relief Fund brought the grand total of subscriptions to \$232.15. The following are the subscriptions for the week:

Previously acknowledged	-----	\$230.65
Anonymous	-----	.50
W. S. Milliken	-----	1.00

\$232.15

Four checks for fifty dollars each have already been sent to Monsieur E. Havenith, the Belgian Minister to the United States and a check for the balance will be sent shortly. Although the responses of the student body to the appeal for help were not as plentiful as expected, doubtless due to the fact that there were so many demands upon their generosity from other sources, the sum collected will go far toward relieving the great suffering and need of the unfortunate Belgians.

Magistrate to a witness—"What is your profession?" "A lawyer." "Well, try to forget it while you are giving your testimony."

RICH'S SHOES FOR YOUNG MEN

As usual will be worn this season by the particular dressers, those who want the maximum of individuality.

TEN ONE F STREET CORNER TENTH

TO OUR FELLOW ALUMNI:

If you think of taking a Course at a Business College in Shorthand, Typewriting, Business or Civil Service, consult Mr. Frank Fuller, our Principal, who is an A. B. and Alumnus of George Washington University. He will advise you as a Fellow Alumni as to systems, methods, and courses.

Special Courses for G. W. U. Students.

His beats them all.

MEDICAL SCHOOL PRIZES.

In connection with the article which appeared in the last issue of the Hatchet regarding the awarding of the prizes from the Ordreux Prize Fund, the following rules governing the awarding of prizes to students of the Medical School are given out by the Executive Committee of the Medical School:

1. To be eligible for the Ordreux Prize, a student must have attended all his courses in this school.
2. To be eligible for graduation "with distinction" a student must have attended at least two full years in this school.
3. In computing averages only subjects passed in this school will be evaluated, and the first examination in each subject will be taken.

DEPARTMENTAL NOTES.

COLUMBIAN COLLEGE.

Mr. Bailey, president of the pre-medical class, spent Christmas week in Chicago and Cincinnati.

Mr. J. A. Smart spent the holidays hunting at his country home near Richmond.

ENGINEERING SCHOOL.

Mr. Doten's class in Sanitary Engineering enjoyed a lecture on "Floods in China," at the Cosmos Club, Wednesday evening, January 6, as guests of the Washington Society of Engineers. Following the lecture, refreshments were served.

McClain B. Smith is slowly recovering from a severe cold and frost bitten ear.

Professors Doten and Dougherty are at work in making changes for the new catalogue which appears in March.

A Committee has been appointed by President Harsch of the Senior Class with Mr. Robert L. Kause as Chairman, to decide upon the class pin.

Mr. Harry L. Boesch, after being out of town since December 21st on a combined business and pleasure trip is back.

LAW SCHOOL.

The Bulletin issued the past week by the Columbian-George Washington Law School Association and intended as its foreword stating as its aim, "to keep the alumni in closer touch with each other and to further the interests of the Law School," will particularly accomplish the latter object by its success with the former. With an alumni body surpassed in point of numbers by only two or three other schools in the country, the advantages which ought to accrue to both graduates and undergraduates by reason of such a body, have in past years been notoriously lacking. It is a common occurrence in the practice of law to be engaged in a case requiring the assistance of legal talent in another city where the entire personnel numbers only strangers. This fact has long been recognized by the leading law schools of the country and by keeping permanent and frequently revised lists of their alumni they have encouraged lawyers restricting their outside work to graduates of their own school. By this means an esprit de corps is built up and it is this feature of the alumni bodies that is of greatest value to the undergraduates, for with the practicing lawyers taking an active interest in the work of the school, a way is opened for undergraduates to secure positions in their offices and thus get much beneficial experience. This is a feature which George Washington has heretofore sadly neglected.

The appointment of Professor John Paul Earnest to the position on the District Board of Examiners, left vacant by the death of Mr. Taggart, was hailed with delight by the whole school. Mr. Earnest is universally popular, not only for his kindly good nature but also for his uncompromising fairness and those Seniors who are planning to take the local bar examination in the Spring feel that there will be one subject included in which they need not look for tricky questions.

The report that there will be no issue of the Cherry Tree this year, seems hardly believable. When colleges with enrollments of only a few hundreds are able to put out worthy annuals it is strange that a university numbering over fifteen hundred students cannot support even a modest year book. It has been rumored that President James F. Pierce of the Senior Class of this department is contemplating assuming the risks of editor of a smaller book for the Law

School alone and it is to be hoped that there is a substantial foundation to the rumors for if there is one man in the School who could make a success of the book it is Pierce. His work in preparation for and in furtherance of the Senior dinner this year speaks for itself and with a hustling business manager there would be no such word as failure in his editorial dictionary. It was only after failure to find a business manager that he was forced to abandon the idea of getting out the Cherry Tree.

With the posting of the examination schedule a lively discussion arose as to the faculty's purpose in arranging the last two examinations without the customary day in between. This is a serious problem for those students who work during the day owing to the fact that this arrangement coming at the end of the series practically prohibits but one day's study in preparation. It is also a new departure to run the examinations over the beginning of the second half year as given by the catalogue.

MEDICAL SCHOOL.

A great deal of anxiety is being expressed by friends of R. Bartle Miller over his condition as a result of a case of appendicitis necessitating operation last week. It is hoped that he will have a speedy recovery. Miller is one of the best distance swimmers in the South and during his activity in the aquatic sport has held several records.

J. M. Ladd is employed at Casualty Hospital as interne. This brings the number of men from the Junior Class in hospitals up to seven.

Schedules of Examinations.

Pediatrics, Friday, Jan. 15, 10.00 a. m.
Laryngology, Thursday, Jan. 21, 10.00 a. m.
Tropical Medicine, Monday, Jan. 25, 1.00 p. m.

Beginning with students entering for the session of 1915 and thereafter, the Northern University Medical School will require an additional year of hospital work for graduation. This makes the fifth medical school to adopt this requirement; the others are: University of Minnesota Medical School, Leland Stanford Jr., University School of Medicine, Rush Medical College, University of Vermont College of Medicine. One state licensing board, that of Pennsylvania, now requires that every candidate to be eligible for a license to practice medicine in that state must have served at least one year as an interne in an approved hospital. This requirement became effective in 1914.

WITH THE GREEKS.

Another of the delightful dances with which Kappa Sigma is enlivening the winter season, was held at the Chapter House, on Vermont avenue, last Saturday night, January 9th. This dance entertained a larger number of the members and friends of the fraternity than any it has given this year.

On Monday, January 11th the Sigma Kappas entertained at lunch for Mrs. Jones, Florence Moyer, '14, Erwin Harsch, and Herbert P. Ramsey.

Chi Omega announces the pledging of Helen Monroe, Columbian College.

Miss Mabel McCallip and Mildred Padgett were entertained at lunch on January 12th by the Sigma Kappa Sorority.

The Phi Alpha Fraternity held a smoker on Monday evening, December 28, 1914. It is the plan of the Fraternity to give a smoker once every month.

NEW BOOKS IN THE LIBRARY.

The following books have been recently added to the Arts and Sciences Library, and include all accessions to December 1:

History.

Andrews—The Colonial Period.
Gooch—History of Our Time (1888-1911).
Paxson—The Civil War.
Smith—The Wars Between England and America.
Fisher—Napoleon.
Shepherd—Latin America.
Belloc—The French Revolution.
Johnston—The Opening Up of Africa.
Haworth—Reconstruction and Union.
James and Sanford—American History.

Economics.

Ross—Social Control.
Laycock, F. V.—Political Economy in a Nutshell.

Political Science and Law.

Sargent, E. B.—British Citizenship.
Bowles, G.—Sea Law and Sea Power.

Poetry and Literature.

Burns—Lyrical Poets.
Federn, R.—Repertoire Bibliographique de la Littérature Française des Origines—A, 1911.
Lear, T.—Letters and Recollections of George Washington.

Engineering.

Tyrell—Bridge Engineering.
Education.
Foster, W. T.—Administration of the College Curriculum.

Travel and Description.

Tower—Germany of Today.
Fraser, J. F.—The Amazing Argentine.
—The Case of Belgium in the Present War.

Peace.

Carnegie Endowment for International Peace, Yearbook 1913-14.

Spaight, J. M.—War Rights on Land.
Ethics and Theology.
Cabot, Richard C.—What Men Live By.
Griggs, Edward Howard—The New Humanism.
Munger, Theodore T.—On the Threshold.

War.

Baldwin, Elbert Francis—The World War.
von Mach, Edmund—What Germany Wants.

Biography.

Sears, Lorenzo—John Hay.
Language and Literature.
Diekhoff, Tobias—The German Language.

Renan, Ernest—Vie de Jesus.
Renan, Ernest—Pages Choisies.
De Heredia, Jose-Maria—Les Trophées.

Encyclopedias.

The New International Encyclopedia, Second Edition, 1914.

Only about two scholastic weeks remain before examinations take their dread hold on the school and the usual "spurts" and "delayed resolutions" are now being made in great numbers.

The fountain pen promised by the Hatchet to the person securing the greatest number of subscriptions has been awarded to Miss Theodosia Seibold, Columbian College.

If you contemplate purchasing any records or graphophone supplies, a comfortable reduction may be obtained by a consultation with one of the editors or the business manager of the Hatchet staff.
